

FIRST-YEAR Student Orientation

For

SEA Semester Class C-275 "Ocean Exploration" on Sept. 3, 2017

Please arrive between 3 and 4 pm

A few students choose to begin their college careers with SEA Semester. You are one of the first-semester undergraduates attending our program and we want you to start strong. This early arrival will give you the opportunity to meet with the other students who are also entering their first year of college, and to get a head start on college work and understanding expectations.

We'll use these days to talk about coursework, the code of conduct, and life in the cottages as well as to answer any questions you may have. You'll also have time to explore the Woods Hole area. Dinner will be provided on the 3rd, and breakfast, lunch and dinner will be provided on the 4th and 5th.

Please arrange to be on campus on Sunday, Sept 3rd by 4 pm. This is two days before regular orientation for your SEA Semester. If you will be arriving by Peter Pan bus:

- **Please tell us when your bus is scheduled to arrive**
- **Remember to get off at the Falmouth stop (not Woods Hole)**
- **Look for an SEA Staff Member who will bring you to campus**

Please email Dale Dean ddean@sea.edu to let her know when you will be arriving. Don't hesitate to call if you have any questions before you get here.

We look forward to meeting you, see you soon on Cape Cod!
